Classroom News: *TIMES*

Dear Parents,

Thank you for all the support with the Boosterthon. If you need to turn the pledge money in, please do so before Thursday of this week. There is a \$100 giftcard up for grabs if we get 100% turn in rate.

I have started some groups in my class where I will need parent volunteers. I will send out a Sign Up Genius email if you are able to donate an hour or so of your time. I am looking for Writing Conference parent helpers for right now. If this sounds like something you can help with, please sign up!

Many thanks!

Points to remember:

1. Early Release this Friday 1:15pm
2. Please return your interim signed. I am still missing many of those interims. Please send them back asap.
3. I have added 2 NEW homework pieces to their weekly amount. Right now, students are asked to read regularly and complete a Raz Kids book online. They are given a sheet a night for Math. Spelling is due every night through Edmodo if they can.
4. Students NOW need to learn their Multiplication Times Tables. I have added websites to my website to help them learn. Please take advantage of this as well as using flashcards or testing them. This week we are learning our 5's, 10's, 2's. Please also check that they know the DIVISION part too!
5. Writing - I have given a writing prompt: *Tell me about a time you were scared.* It is expected they write 3 paragraphs. Turn it in on Friday.
