

WELCOME TO THIRD GRADE

Green Hope Elementary

Monday 1st December '14

Classroom News:

Math:

We are reviewing our multiplication and division strategies and which one we like to use the most. We are looking at array, repeated groups, number lines and other strategies to work out division and multiplication word problems. Ask your child what QUOTIENT, DIVIDEND, and DIVISOR means.

Language Arts:

We are starting NON FICTION this week. Please allow your child to read the online Scholastic News or Science Spin for additional reading material. The passwords were sent home last week or you can find them online on my website under Reading Homework.

Science: Our next unit won't start until after 5th December. We will complete our Social Studies unit first. We will switch teachers for Science and our next unit will be **Changes** with Ms Wesner.

Social Studies:

Our Social Studies unit is based on NC history and Colonial Times. We are learning about how RTP was influential to Wake County's growth. Their homework for you tonight is to find our why you moved to Wake County.

Points to remember:

ITBS - Tuesday and Wednesday
30 min test will be administered

Interims are due to go out this Friday but watch this space. The network is down so I will get your interims out as soon as I can.

Mrs. Candice Volland NBCT

What's our SPECIAL?

Specials #4 - PE
- Art

Specials #6 - Music
- Reader's Theater
