

WELCOME TO THIRD GRADE

Green Hope Elementary

Monday 17th November '14

Classroom News: *TIMES*

Math:

We are learning how to write equations. We have learned the value of the equals sign. Students will determine the unknown whole number in a multiplication or division equation relating three whole numbers. We are solving algebraic problems by find the variable in each equation.

Language Arts:

We are continuing reading our second book in a Series Book in Book Clubs. We will deepen our understanding of characters over time by looking at character traits. We will look closely at the setting, plot and theme within the texts. We are focusing on prefixes and suffixes.

Science: Our next unit won't start until after the interims go out. We will complete our Social Studies unit first. We will switch teachers for Science and our next unit will be **Changes** with Ms Wesner.

Social Studies:

Our Social Studies unit is based on NC history and Colonial Times. We are learning about how Raleigh was not the original capital. We learning why people moved, and how they moved, from one location to another using the railroad system.

As we are in the middle of our Social Studies unit so we are integrating our reading and history by reading "Why I wouldn't be an American colonist." **See Writing homework**

Points to remember:

The writing project will need to be written this week. Please find the book report/book rubric attached that will guide you to write what is expected in each paragraph. I sent this home a few weeks ago, but I know how papers get lost! I will attach a copy to this email.

I understand that this book is in high demand, so if you are unable to get the book, please allow your child to come in early to read my copy. It is great reading material and most children will be able to read it with a partner. They have all week to work on paragraph #2.

Candice Volland

What's our SPECIAL?

- Specials #6 - Music
- Reader's Theater
- Specials #2 - Technology
- Counseling
- Specials #4 - PE
- Art

Homework

Monday 17th November

Reading: Read for 20-30 minutes. Log onto www.Reading-Rewards.com and log your reading minutes.
