

WELCOME TO THIRD GRADE

Green Hope Elementary

Monday 24th November '14

Classroom News: *TIMES*

Math:

We are reviewing our multiplication and division strategies and which one we like to use the most.

Language Arts:

We are finishing our second book in a Series Book in Book Clubs. We will deepen our understanding of characters over time by looking at character traits. We are looking carefully at identify the character in the book and how she changes from the beginning to the end. We are focusing on prefixes and suffixes and their meaning.

Science: Our next unit won't start until after 5th December when Interims go out. We will complete our Social Studies unit first. We will switch teachers for Science and our next unit will be **Changes** with Ms Wesner.

Social Studies:

Our Social Studies unit is based on NC history and Colonial Times. We are learning about how Raleigh was not the original capital. This week we are focusing on the Civil Rights Movement and the influential people of that era such as Martin Luther King and Ruby Bridges.

A big WELL DONE to Amrita Acharya (Music) who participated in the Reflections Program this year! There were 33 students who entered the contest with 24 going on to the next level of competition. Well done!

Points to remember:

I understand that this book is in high demand, so if you are unable to get the book, please allow your child to come in early to read my copy.

The class has earned a **Golden Egg Reward**. They voted for **Electronics Day**. For 30 minutes tomorrow, they are allowed to bring in their own device (BYOD). Please be reminded that if your child is to bring in their own device, it is THEIR responsibility. They will NOT be allowed to connect to the wi-fi, so please make sure they have already downloaded the app, book or game for them at home for them to use in this time.

And finally, a **BIG** thank you for all my books from Book Fair. I am very lucky to have received so many books - thank you for your generous donation!
