Classroom News: *TIMES*

Dear Parents,

Welcome to the 4th week of school!

PLEASE take a look at your child's agenda coming back tonight. It has a LOT of password information which your child will need throughout this year. All of the homework is on my website.

What are we learning this week?

Math: We finished the addition and subtraction unit and we are starting a new unit of rounding and estimating.

Literacy: We are working on devising questions and answering them.

Social Studies: We are learning about the 3 branches of government.

Writing: We have just started writing our own personal narratives and using KidBlog.

Points to remember this week:

- Ensure your child records their reading minutes on the www.Reading-Rewards.com website.
- I have started the **Raz-Kids** program as their reading homework with the children - please ensure that is completed by Friday of each week. www.Raz-Kids.com
- I have started a new program by **ScootPad** - this is a trial session as the cost is high. Please let me know if you like it and I will try to find a way to cover the cost.
- Please sign the **Edmodo** permission slip - I intend to start the children on this as soon as everyone has been given permission.
- **Scholastic News** has been ordered but I am still a few dollars off the total charge - please send in your check if you haven't already.
- Homework is expected EVERY night. Please help your child to complete it.
- Please download Class Messenger for an easy and fast way to contact me.
- If your child is too busy one night, please send in a note to explain why homework has not been completed.
