## Classroom News: *TIMES*

Dear Parents,

Thank you to all the parents who turned up for Open House - it was a real pleasure to see so many faces ☺ The children got their homework passes so you got credit for giving up your free time.

THANK YOU for all of your donations! My trunk is full up of shoes that are now off to Striderite to be of some use to someone that need them. Thank you! ☺

Tomorrow is our PEP RALLY for our Boosterathon.

### Points to remember:

- In your child's **Friday Folder** there should be your child's interim report.
- In the Friday Folder, there is also a **Q1 brochure of the standards**. I included this as I had a question at Open House about the standards being taught for Science and Social Studies. Please keep to use for further reference. I included the actual standard as well as the kid friendly standard. You can share this with your child.
- In addition to your child's interim, you will find a **B.O.G letter** - this is their SCORE. If they received a 3 or above your child will be exempt from the **Read To Achieve** program.
- If your child received a 2 or less, there will be a letter informing you of an Information Evening to discuss Read To Achieve further.
- There will also be a **MClass letter** showing you their reading score. It includes some activities to work on at home to increase your child's reading level.
- My email address: [cvolland@wcpss.net](mailto:cvolland@wcpss.net) for any further questions.
